

The raising of Lazarus from the dead on Monday reminded us we have nothing to be afraid of – not even death. The children really reflected on how fears can be overcome and were so quick to articulate which of our school values would help them to do this, positivity, encouragement and resilience. This term has been short but action packed and all of these values have been required by our children to really blossom and grow. We are very proud of them all. We wish you all a very blessed and restful Easter break. - **Mrs A M Kendal, Head of School**

CAFOD club: This Lent we have supported CAFOD and joint other schools around the country to help support our global neighbours. To raise money we have

walked way over 500 km throughout the month of March and our target was £200.

So far we have raised £174.16 and have £25.84 to go to reach our target. Its not too late to make a donation if you would like to [St Luke's Fundraising Page](#).

BCCS: Please see attached poster regarding child and family counselling services available and speak directly with BCCS regarding charges for this service.

Polite reminder: During Covid we instigated an entrance and exit flow system for parents and children. This does run through our car park. However, we have kept it in place as it has prevented a build-up and possible collisions around the edge of the reception classroom, and it is also a really safe way of ensuring children enter and leave safely. Recently several people have tried to enter via the car park. For all our children's safety please

ensure you enter the premises via the pedestrian gate and exit via the car park.

Cyber Safety: Please see attached SWGL advice for online gaming.

Dinner Menu: Our NEW School Dinner Menu can be located [here](#). Week commencing 17th April is week 1.
