

“Practice what you preach” Jesus reminds us as he tells the pharisees that sometimes they can be hypocrites. If we tell others to do things then we too should be doing the right thing and making the right choice. As we started another busy week we have reflected this week on how important it is to show who we are through our actions. - **Mrs A M Kendal, Head of School**

“Carry peace with you to give it to others with your life, with a smile, with works of charity.”

Pope Francis

Year 6 Mass: Thank you to Year 6, who prepared a beautiful mass on remembrance this week. We prayed for peace at this challenging time.

Year 6 Assembly: We had a reflective and informative year 6 assembly this morning. Their topic PEACE looks back at history and how we can keep the peace. Through their caritas theme of Building the Kingdom of God they shared ways people have struggled and survived in war times and what we have done to resolve and establish peace. Thank you year 6 for such a beautiful assembly.

Reading challenge There is still lots of time to complete the Reading Challenge launched by the Reading Champions last week. Each pupil wanting to complete the challenge needs to read a book that matches each of the ten categories written by the Reading Champions. Each book completed gets a sticker, with a prize available for those who complete it!

Dog Walking: We appreciate drop off and pick up time is a great opportunity to walk your dog. Please can we ask all dog walking families to be respectful of others around them and that their dog is kept on a lead by an adult. Please also be reminded dogs are not allowed on the school grounds and should remain outside of the school gates with a responsible adult while you collect your child.

Attendance: As a school we know the impact regular attendance has on a child's learning and well-being; and that having good attendance is directly linked to raising achievement and developing skills for life. The national expectation for attendance is 95%, and we ask you as parents to work with us to ensure that your child is meeting this expectation, to better help them achieve their full potential.
