

accüro

supporting people with a disability

Accuro is a small, vibrant local charity providing a range of specialist services for children, young people and adults with a disability across West Essex. Our fun and person-centred services enable our members to take part in a wide range of social and leisure opportunities that encourage them to belong, contribute and thrive. Through our clubs, we aim to develop life skills, confidence and self-esteem.

If you would like to find out more, or come and join us, please contact our Club Coordinator today.

We will arrange a home visit to carry out an assessment of individual needs, behaviours and medical requirements. You will then be invited to visit our Clubs.

Please see overleaf for Club Coordinator and contact details.
