

Home Learning for Year 5

English	Maths
<p>Spelling/Grammar: Click here for this week's activities.</p> <p>Reading: A comprehension activity</p> <ul style="list-style-type: none"> ➤ https://www.thenational.academy/year-5/english/story-reading-comprehension-to-make-comparisons-within-and-across-books-year-5-wk6-1 and ➤ https://www.thenational.academy/year-5/english/story-reading-comprehension-predicitions-year-5-wk6-2 <p>Writing tasks are included in the work below. Don't forget to log in to Active Learn and play your games and read your new interactive book. Remember to click on the 'BUG' to answer the questions.</p>	<p>This week we are focussing on:</p> <ul style="list-style-type: none"> ➤ Revising proper fractions and equivalent fractions. ➤ Revising mixed numbers and improper fractions; ➤ Revising how to multiply proper fractions by whole numbers. <p>Please do ask your child to log into their Active Learn account to access resources that have been allocated to them from Abacus on the topics above.</p> <p>If you complete all this learning, you may wish to have a look at:</p> <p>The BBC Bitesize Daily Lessons (via the website or red button TV) on:</p> <ul style="list-style-type: none"> ➤ Multiply unit and non-unit fractions by an integer (whole number); ➤ Fractions of amounts in context; ➤ Challenge of the week. <p>https://www.bbc.co.uk/bitesize/tags/zhgppg8/year-5-and-p6-lessons/1</p> <p>The White Rose website:</p> <p>Spring Term:</p> <ul style="list-style-type: none"> ➤ Fractions. <p>Summer Term:</p> <ul style="list-style-type: none"> ➤ Converting units. <p>https://whiterosemaths.com/resources/schemes-of-learning/primary-sols/ https://whiterosemaths.com/homelearning/year-5/ (for further practice with fractions)</p>

RE - Reconciliation

LF 5: The Beatitudes (Matthew 5 1-17). Click [here](#) for work on this learning focus.

LF 6: God is loving and merciful (Amos 5: 14-15). Click [here](#) for work on this learning focus.

Note: For Bible references and readings online you could use <https://www.tere.org/support-material/> or <https://bibleforchildren.org/languages/english/stories.php>.

Other resources linked to RE can be found on <https://cafod.org.uk/Education/Primary-teaching-resources/For-home-learning> and <https://cafod.org.uk/Education/Kidz-Zone>.

PSHE – Relationships

This week we are learning to: Celebrate yourself/recognise strengths.

Starter: Take a moment to think about what happiness *means* to you. Write or draw your thoughts on a coloured piece of paper (you could use a blank piece of paper and then colour it as well) and share them with your family.

Activity 1: Family time - Look at these 10 top tips very carefully. The first 5 tips focus on how we interact with the OUTSIDE world and the second 5 tips come from WITHIN us!

1. GIVING - Do things for others	6. DIRECTION - Have goals to look forward to
2. RELATING - Connect with people	7. RESILIENCE - Find ways to bounce back
3. EXERCISING - Take care of your body	8. EMOTION - Take a positive approach
4. APPRECIATING - Notice the world around	9. ACCEPTANCE - Be comfortable with who you are
5. TRYING OUT - Keep learning new things	10. MEANING - Be part of something bigger

Discuss and share with your family what you understand from each of these Top Tips and what they mean for you in your life. Create together a poster to illustrate the ideas you discussed or shared.

Activity 2: Create your own **HAPPY BOX** to share something for you to look at and reflect on in times of stress. You could start by putting in the box the drawings you already created for the starter or any items that make you happy.

Theme of the Week: Children's Gardening and Garden Wildlife Week

- **Design your own garden** labelling clearly what types of vegetation you would like to include. You could use any materials you might have in your house or collected from your outside walks. Be as creative as you wish!
- **Research and record** in any format you wish (Power Point, Fact File, leaflet, poster, etc) Top 10 interesting facts about world's famous gardens.
- **Write a short poem about 'nature'**. In your poem, feel free to include some ways to look after the nature as it is the home we share with other living things! Decorate it as you wish (small pictures, symbols, etc) or you could even frame it!
- **Welcome to The Jungle: Let Creativity Roar!** - Henri Rousseau was a French painter from the 19th Century who created many paintings inspired by jungles and rainforests, although he never actually visited one. Explore facts about this famous painter and create a jungle/rainforest piece of artwork in his style. You could draw, paint or create a collage, depending on the resources you have available at home.
- **Deforestation: Our Climate and Our Planet** - As well as impacting on animal habitats and native people, deforestation is also a major contributor towards climate change. Create an awareness leaflet about the effects of climate change on our planet and how deforestation is contributing towards this.

- **Sunday 31st May is Pentecost Day.** Your child might enjoy writing an acrostic poem or a prayer to celebrate this day. Do look at the 'Believe, Belong, Become' section of the school website which has more detail and guidance on Pentecost Day.

Other Learning Activities for this week

Be active – Try this week's **gonoodle** - <https://www.gonoodle.com/> or **BBC Bitesize PE**.

Be kind – Give someone in your family a flower you made!

Take note – Go on a walk with your family. What types of flowers do you notice? Take pictures of them, then research and create a file for them when you get home (name, key information and your own picture of them).

Connect – Think about your family and friends. Is there a message that you would like to tell them? Draw a picture for them to illustrate your message.

Learn - Science: How do human beings affect the environment?

- <https://www.bbc.co.uk/bitesize/topics/zp22pv4/articles/z2md82p>

Geography: Fossil fuels and renewable energy

- <https://www.bbc.co.uk/bitesize/tags/zhgppg8/year-5-and-p6-lessons/1>

Design and technology: Mechanical systems

- <https://www.bbc.co.uk/bitesize/tags/zhgppg8/year-5-and-p6-lessons/1>
