

## Year 2 Home Learning

Welcome to the home learning page. Here you will find a list of the children's weekly spellings and Abacus maths links. This will be set on a Wednesday with the expectation that it is completed by the following Tuesday. Due to the current circumstances, children will not be completing their work in books. Instead, children are invited to share their work using the school home learning account with 'FAO Mrs Ingram in the subject bar. [homelearning@ourladyoffatimatrust.essex.sch.uk](mailto:homelearning@ourladyoffatimatrust.essex.sch.uk)

The activities are aimed to reinforce the learning we have completed in class. It is important to practise regularly to build up your child's confidence to support them in their weekly spelling quiz. These take place on a Monday. Click [here](#) to try some different spelling strategies which can help make their learning fun. Your child will also receive a class reading book. Please try to read with them daily to build up their fluency and understanding of the text.

Maths homework will be set online. To access this please go to [www.activelearnprimary.co.uk](http://www.activelearnprimary.co.uk) and enter your login details. Please note that the school code is lower case ktpr.

Date	Spellings					Abacus Maths
6 <sup>th</sup> January	bath	both	break	could	would	<a href="#">Toucan Team A</a>
	should	even	every	find	behind
