Ukraine Humanitarian Appeal

More than a million people have fled their homes in fear of violence in Ukraine.

They urgently need food, water, shelter, and safety.

CAFOD's local church partners in Ukraine, Moldova, Poland and Romania are already helping families, especially children.

Join with us to show them God's love.

Please use the sponsor form or use the schools CAFOD Justgiving site to sponsor students walking everyday during Lent together. Available up until the end of term.
