

This week we remembered the feast of Corpus Christi: the body and blood of Christ. As a community the children explored the meaning of a metaphor. When Jesus says he is the bread of life, he wants to feed our souls, to strengthen our lives so that we can grow in love like him, like food nourishes our body Holy communion feeds our spirit. The children thought about the need to keep returning to Jesus so that he can help us grow in love.- **Mrs A M Kendal, Head of School**

"Love goes beyond usefulness, convenience or duty; love generates wonder." **Pope Francis**

Going Forth Mass On Tuesday we celebrated with those children who have had their First Holy Communion. It was lovely to take part in the mass lead by the children, who sang and read beautifully. It was also a wonderful opportunity to wish Fr Bernard a very happy 30th anniversary of his ordination.

Year 4 Class Assembly Thank you so much year 4 for a fabulous assembly sharing their learning from this year. From knowing how to keep our teeth clean to some beautiful sorry prayers we really enjoyed hearing what you have to share. We will certainly all remember the Greek Myth of Theseus and the Minotaur after that fabulous song.

Nursery Sports Day Thank you everyone who came to support our Nursery sports day. The children ran some fantastic races. We had scooters, hoppers and ball shooting. We even had a few parents join in too. Thank you to the Nursery staff for preparing this lovely event for us

Summer Uniform: Now we are in the Summer Term girls can wear school dresses (no playsuits) and boys can wear shorts and short-sleeved shirts. Please ensure students have the correct uniform – black shoes, black trainers, one small discrete hair bow in school colours.

High Temperatures: We have been very mindful of ensuring children drink plenty and spend time in the shade at lunch times. At St Luke's most of the classrooms have air conditioning, therefore children have the opportunity to cool off and work effectively during the day. Please try to ensure children have a water bottle and have sun cream applied before coming to school.

Congratulations to Dawson who successfully completed his 5km walk for Juveniles Diabetes Research Foundation and raised over £650! What a wonderful achievement helping others.

Parent Consultation An email has gone out this week to give you all the information regarding the newsletter. Do ensure you have made your appointment. We are looking forward to seeing you all either face to face or virtual.

Online gaming means you can play in real time with people across the world through a computer, games console, tablet or smartphone connected to the internet. Games can offer children a world of adventure to immerse themselves in, but it's important to understand how children can stay safe and what games are appropriate for their age. This advice from the Two Johns may be useful [Gaming-eSafety Training](#)
