

This week we talked of special events in our lives that leave us with lasting memories. Things that we look forward to and how these emotions of excitement remain with us for a long time. The Transfiguration story of Elijah and Moses appearing to the disciples is also one of these moments that the disciples treasure and remember. The story helps us to think how we are changed by these moments and this change helps us to be better people. - **Mrs A M Kendal, Head of School**

Year 3 Class trip: On Monday 26th February we went to Colchester Castle Museum. This trip was perfect and it was such fun. It was amazing to find out so much about the Romans, Colchester Castle, which once was a Roman Temple, and how it was destroyed by Boudicca. Everybody loved the trip. We all had fun and would love to go back.
