<p>Puzzle 3 – piece 6 – Dreams and goals</p> <p>Before you start this lesson take a minute to be calm. Breathe in through your nose and count in your head 1,2,3,4 slowly, gently. Breathe out again, through your mouth, feeling your tummy sink back in. Repeat this three times giving your body a chance to calm down and be ready to focus.</p> <p>For the past two weeks you have been working really hard on creating your own garden for people who are in hospital or who need an outside space. This week we are going to reflect on the past two weeks. Below I am going to put some questions that I would like you to answer. By being able to reflect on our</p>	

learning it gives us a chance to be positive about what went well but it also gives us a chance to think about what we would do differently next time.

Questions:

1. Did you find it easy or challenging to create this garden? And why?
2. What did you enjoy about designing the garden? Did you like having a budget?
3. If you did stick to the budget, would your garden be different if you were able to spend more money? What would you change?
4. If you were to do this activity again, would you do anything differently? E.g. plan more thoroughly, draw it in more detail, create a different design
5. How did this activity make you feel? E.g. calm, excited, nervous
6. How can these feelings help your learning in the future? E.g. if you felt calm did you do the breathing exercises to feel calm? If you felt nervous about the task did planning it help you?

Theme of the Week: Wellbeing

Travel back in a time machine to your favourite memory, it could be a birthday, a day out, a game you played, spending time with your friends etc. Write down everything you can remember about this memory, think about your 5 senses as you write. What could you see, hear, touch, taste and smell.

Write down three things that made you feel happy this week. Remember, it does not have to be something big that makes you happy, it could be as simple as the funny joke you made or getting to wear your pyjamas all day!

Other Learning Activities for this week

Be active – Click [here](#) to join in with Violet's Incredible Dance.

Be kind – It is important that we care about the wellbeing of ourselves and those around us. Why not sit down with an adult or sibling and read your favourite story together. If you have not got a book to read together, why not make a story up together.

Take note – Go on a scavenger hunt when out on your daily walk. If you cannot get outside, then bring the scavenger hunt inside. Click [here](#) for some ideas of things you could look for.

Connect – This week is about your wellbeing; you could try to Be a Poser to connect with yourself and your body. Click [here](#) for some moves you could practise.

Learn – ICT lesson: How does the internet and search work – click [here](#) on Thursday 21st May.

Music: Learn about Dynamics and Tchaikovsky on BBC Bitesize daily lessons. Click [here](#) on Friday 22nd May.
